Fall 2010

COMMODORE'S COMMENTS Steve Horne

Finally, summer is here, the weather is turning in our favor and boating season is in full bloom. It has been an interesting start to the season, to say the least. I think it is important to briefly reflect and once again thank everyone who participated in keeping the marina, the docks and our boats in tact during that unique storm that started the Memorial Day weekend. There were plenty of members and especially employees of Lucerne Valley Marina who were stellar in their efforts to minimize damage. Again, our thanks for a job well done.

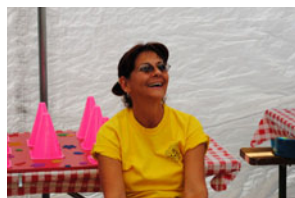

Our event season is off to a good start, with both the Meet, Munch and Mingle and the Poker Run being very successful. Hats off to our new Port Captain, Meredith Bowman (and her first mate, Brian) for a great job done for both events. Coordinating those events takes a great deal of work and the Bowman's are doing a fantastic job. We have some great events coming up, most importantly Green Day (July 3rd), the combined Park Place & Raleigh Hills Dock Party (July 17th), the Kids Carnival (July 24th) and the Fishing Tournament/Straight Arrow & Boardwalk Dock Party (Aug 14th), so don't be shy, plan to attend and participate in any way you can. The worker bees on the Yacht Club Board can only do so much, so we welcome all the help we can get.

The Directors of the Yacht Club would like to extend a well deserved "Thank You", to both Mike and Sharon Midgley. As you know Sharon served as our Port Captain for that last two years and did a FANTASTIC job. Mike is concluding his tour of duty as Treasurer and our books and the financial status of the club have never been better. With that in mind we do need a couple of volunteers to step forward for two key positions. We need a new Treasurer and we will need a new Vice Commodore for next year. So, anyone who would like to step up, please contact a Director. New blood in the organization is healthy and needed to continue the success of the club.

That is all that I have, let's enjoy the season, our activities and I look forward to seeing all of you at the lake.

PORT CAPTAIN'S REPORT

A quick hello from
your Port Captain...

First I would like to take a minute to introduce myself. My name is Meredith and I am your new Port Captain. Along with my husband Bryan and daughter Bailey I love to spend my weekends on the lake. We are happy to be spending our third year on the Straight Arrow Dock. I hope that I can do a good as job as Sharon Midgley has done for the past two years. I want you all to feel comfortable giving me a quick call or email

Hopefully everyone is on the lake now and ready for a great boating season. Let's all think SUN! We have lots of fun family events coming up. Don't forget to check out our Calendar of Events posted in the kiosks.

The 2010 Season has started out with a bang. Wendover in April was a blast. The newly added golf tournament was a success. For those of you who were unable to attend you missed out on a lot of fun. The Memorial Day Meet, Munch and Mingle turned out great despite the cold weather. Our Second Annual Kiosk Decorating Contest will be judged at the Kid's Carnival in July so get your creative minds together and have some fun with it.

Looking forward to seeing you all soon,

Meredith Bowman

You can send the photo's either by e-mail to ropingcranch@gmail.com or get them to me so I can download them to my computer to use for this activity; it's going to be fun!!!
